

Steven Pettigrew

Safe Surrey Coalition

- 1) Been block watch captain for 14 years, strata council member for 12 years, leader of the Save Hawthorne Park organization, been attending city meeting for six months and mentored by leading politicians for the last year.
- 2) My primary skills are administration, networking and caring
- 3) People are waking up and taking a more active interest in their city.
- 4) Yes – I have been snubbed by SBOT, as they are not sure about me. But, I want to throw my full energy behind the business leaders and get to know them more and fulfill their needs. I want to meet with them, listen to them, and help them.
- 5) I am in full support of the BIA's plan. I want to elevate the "importance" of the downtown area and make sure we get our fair share. I live in the downtown area.
- 6) Crime, uncontrolled development, homelessness, the environment, government transparency
- 7) Strengthen the family unit, educate the children, municipal police force, stronger enforcement and punishment
- 8) I do not know enough about that topic to make an honest answer.
- 9) I generally disagree with decreased amenity space.
- 10) yes
- 11) I would like to implement many changes to the way things are done now in order to truly stop the nonsense that is going on at City Hall now. Because of the Save Hawthorne Park campaign, I know most of the problems at City Hall and I plan to change them one way or another.
- 12) I support Skytrain as the backbone along with an improved bus system
